

## Partner Growth Award 2006

**Dear Valued Partner**

It is a pleasure to inform you that Erictel is one of the 10 nominees for the Ericsson Enterprise Partner Growth Award 2006.

The award result is calculated on the basis of sales growth in 2006, compared with 2005; your company's excellent sales growth has resulted in a nomination for the award.

We will announce the 3 winners at the Partner Growth Meeting in Bilbao, March 27-29, 2007.

We look forward to seeing you at the event.

Best Regards

Urban Gillström
